

\*\*\* NEW DEADLINE \*\*\*

The Division Ageing and Social Change (ASC), Department of Social and Welfare Studies (ISV) at Linköping University, Sweden, is seeking to recruit to the following position:

**Postdoctoral fellow - ageing, gender, life course and social exclusion**

The postdoctoral fellow will work within the international comparative research project 'GENPATH - GENDERed PATHways of Social Exclusion in Later Life' (<https://liu.se/en/research/genpath>) within a consortium of partners in seven European countries.

The holder of the advertised position will primarily work with research, will contribute to the methodological support of further ongoing research at ASC and may carry out teaching limited to 20 percent of full time.

The application deadline is April 24, 2019.

Informal enquiries may be made to Andreas Motel-Klingebiel ([andreas.motel-klingebiel@liu.se](mailto:andreas.motel-klingebiel@liu.se)). For further details see <https://liu.se/en/work-at-liu/vacancies?rmpage=job&rmjob=10735&rmlang=UK>
